

2014-2015  
**FREE PRE-KINDERGARTEN VISION SCREENING**

The following optometrists have consented to provide FREE pre-kindergarten vision screenings in their offices. Please take advantage of this important preventative health measure. **It is necessary to follow the guidelines below in order to assure a free vision screening.**

1. Call one of the offices listed below and identify yourself and the non-public school your child will be attending.
2. **Call for an appointment no later than July 1, 2014** and tell them the appointment is for a pre-kindergarten vision screening.
3. Be sure to take the pre-kindergarten vision screening form with you for the optometrist to complete.
